### 200 Years and Counting

The second meetinghouse, a frame structure, served until 1874. In that year our present church was erected at a cost of \$8,000. Bricks for the new structure were made on the site. Two young lads at the time, Charles Stubbs (1868-1955) and Edgar Evans (1867-1961), carried water to the men constructing the meeting-house.
